

Zoo Tots Class Important Information

Class Details

Zoo Tot classes are approximately 1 hour in length. Classes will be held inside the auditorium of Roosevelt Park Zoo's visitor center with some classes going out into the zoo (weather dependent). Auditorium doors will open 5 minutes before class starts. The registration fee for class **includes 1 child ages 2-5 and 1 adult caregiver**. Due to the size and structure of Zoo Tots, additional adults will not be allowed.

Space is limited to 12 participants per class. Registration is available online.

How it Works

Classes are designed for a caregiver to interact with and help facilitate in the learning of their child. In order to best serve all of our Zoo Tot participants, unregistered children may not be able to attend. An exception for infants will be made for adults who can still fully participate with their registered child. Younger and older children are welcome to register for class, please keep in mind that programs are geared to a specific age range and may not contain age appropriate activities for children outside of that range.

Cancellations/Refunds

Cancellations and date changes must be made two weeks prior to scheduled programs. No refunds will be issued for cancellations within two weeks of the program date. No refunds will be issued for missed classes. We will consider it a donation to the zoo.
